HOLIDAY GAME

We provide complimentary experiences for at-risk children to inspire and motivate children to reach their full potential.

Why Choose Raider Dad:

A lot of organizations provide toys to children, but Raider Dad sparks hope with holiday experiences. Holidays are often associated with joy and celebration, but it can also bring stress. Holiday wishes can serve as a moment to ignite children through their situations and create a lasting memory for families to hold onto during the holidays.

BRAND NEW *Raider Dad* JERSEY

EVERY
KID GETS ONE

A lot of people donate tickets to support needs in a community, but do they create the memory for the child? If we are gifting tickets to families in need, the reality is the families probably do not have the means to afford a jersey at the game. Raider Dad teams up with Silver and Black Sports Collectibles to make sure every child attending a Raiders game with Raider Dad has their own jersey to fit in with #RaiderNation.
